Cory:
I check your times in and out of the first check point, and you are spending too much time sleeping. You're not at home for Linda to wake you up!

Cory,
You will do anything not to get beat by me in the Tour of Anchorage! Good thing you got one kid already, because it is going to be cold, cold, cold. and did I mention the wind?

Linda was that what you had in mind for words of encouragement?

We are following your progress- too bad they are not updating it real quickly. Pulling for you and were real happy to see you up there at the first check in.

Home front is well- naturally we are watching them as well. Keep up the good work

Cory:
Times are looking great. Keep it up and you will be home soon. We're rooting for you.
